Performance Data

- Rated Positive Pressure 10" W.C. per UL 181
- Rated Negative Pressure 1/2" W.C. per UL 181
- Velocity 6000 FPM
- Temperature Range -20°F to 200°F (Intermittent)
-20°F to 180°F (Continuous)
- Flame Spread/Smoke Developed Less than 25/Less than 50

GREENGUARD Children & Schools Certification Program

For products intended for use in schools, daycares or other environments where children spend significant periods of time, the GREENGUARD Children & SchoolsSM Certification Program offers stricter certification criteria. It is referenced by both The Collaborative for High Performance Schools (CHPS)

and the Leadership in Energy and Environmental Design (LEED) Building Rating System. Products certified to this standard are also suitable for use in environments where children and others work, play or reside.
